We’re on the road again! We enjoyed our theatre roaming in 09-10 so much we’re doing it again. So hop on board for another season of adventure.

We begin the “On the Road Again” season at the lovely Eureka Theatre for our World Premiere stage version of Oscar Wilde’s scintillating *The Picture of Dorian Gray*. Then we ring in the New Year in the traditional Rhino way with *The Marga Gomez New Year’s Eve Spectacular*, at our old friend the Victoria Theatre. 2011 kicks off with the SF Premiere of Stephen (Sweeney Todd) Sondheim’s *Marry Me a Little* back at the Eureka. Then we have some spring madness with the return of *Suzanne Westenhofer* to the Victoria. And we wrap up the season with my own adventure-comedy *Fighting Mac!* at the Thick House Theatre on Potrero Hill. This is our Thirty-Third Anniversary Season and we’re thrilled to take you on another road trip around the city at subscription prices that can’t be beat.

**Theatre Rhinoceros** (John Fisher, Executive Director), America’s longest running professional LGBT theatre, develops and produces works of theatre that enlighten, enrich, and explore both the ordinary and extraordinary aspects of our queer community.
